LEAD FREE*

Series LFTWH Tankless Water Heater Valves

Sizes: ¾" & 1"

Series LFTWH tankless water heater valves are designed to simplify the installation, maintenance and operation of tankless water heaters. The LFTWH features Lead Free* construction to comply with Lead Free* installation requirements.

Features

- Lead Free* copper silicon alloy body
- FPT unions for connection to water heater (all models)
- FPT unions for connection to water lines (UT models)
- Quick-Connect end connections to water lines (QT models)
- FPT connection to water lines (FT models)
- Sweat connection to water lines (FS models)
- FPT/sweat unions for connection to water lines (UTS models)
- Full-port, quarter-turn ball valve with color-coded tee handle and union
- Quarter-turn purge and drain valve with hose connection and tethered brass cap
- Optional ¾" pressure relief valve 150psi (10.3 bar)
- Optional integral spring check valve in cold water valves
- Hot and cold valves certified to NSF/ANSI 61
- Staggered connection points for ease of installation and access
- Valves are suitable for most tankless installations
- No additional adapters required
- 600 WOG rated

Materials

Body: Lead Free* copper silicon alloy body

Ball: Lead Free* brass

Seats: Virgin PTFE

Standards

LFTWH-UT-C

LFTWH-QC-C

LFTWH-UT-H

LFTWH-QC-H

NOTICE

The information contained herein is not intended to replace the full product installation and safety information available or the experience of a trained product installer. You are required to thoroughly read all installation instructions and product safety information before beginning the installation of this product.

NOTICE

Inquire with governing authorities for local installation requirements

*The wetted surface of this product contacted by consumable water contains less than 0.25% of lead by weight.

Models

Model Nomenclature

LFTWH	Tankless water heater
UT	Union with female threaded tailpieces for connection to water lines
UTS	
QC	Quick-Connect fittings to water lines
FT	Female pipe thread connection to water lines
FS	Female sweat connection to water lines
H	Hot water valve
C	Cold water valve
CN	Cold water valve without integral spring check
HC	Hot and cold valve set
HCN	hot and cold valve set, no spring check
RV	150psi relief valve
